

Branch Newsletters

From the September 2022 Board to Board (B2B)

Branch newsletters are a valuable source of information for branches, Interbranch Councils (IBCs), and the state board of directors. Most branches submit their newsletter to AAUW California. AAUW California members can subscribe to receive these newsletters. If your branch currently does not submit your newsletters, please consider doing so and if you would like to subscribe to receive branch newsletters, please follow the procedures on the website by clicking [HERE](#). Shortly, the digest of the branch newsletters will have a filter indicating which IBC the branch is in.

If you would like to submit your newsletter to the State for distribution, send it to branchnewsletters@aauw-ca.org.

If you would like to receive copies of branch newsletters, send an email to webteam@aauw-ca.org.
